Incredible India Budget Sheet

Each team must complete one budget sheet plus the Travel Brochure.

India is a vast and beautiful country. There are numerous reasons why you should choose India as your next travel destination. Be sure to have your **Travel Brochure** handy before making any decisions.

Select one city of your choice and calculate the cost of visiting that city.

You will only need to calculate the cost of one person traveling to the city.

If time permits, your team can calculate the cost for your entire team traveling.

The Indian rupee (sign: ₹; code: INR), is the official currency of the Republic of India. The prices below are estimates for one person traveling.

Cities in India	Major Attraction	Food/Cuisine	Things to do: Art & Culture
AGRA	₹2,000	₹400	₹90
DELHI	₹3,000	₹200	₹80
BENGALURU	₹2,000	₹300	₹70

Which city did your team decide to visit? _____

Why did your team decide to visit this location?

How much would it cost for one person on your team to visit?

(add the prices together - show your work)

Major Attraction _____

Food Cuisine _____

Things to do _____

TOTAL COST: _____

Decompose the total cost:

e.g., 2,763 equals 2 thousands, 7 hundreds, 6 tens, and 3 ones
