

Name: _____

Musical Sprouts: India Segment

CIVIL ENGINEER NOTEBOOK

You can use a lot of paper when you are experimenting, as long as your final bridge has only two pieces of paper and nothing extra (no tape, staples, etc.).

My Bridge Design Build a bridge, then draw it here.	Changes Write down what you want to try next.
Bridge #1 How many pennies did this bridge hold? _____	To make a stronger bridge, we will _____ _____ _____ _____ _____ _____
Bridge #2 How many pennies did this bridge hold? _____	To make a stronger bridge, we will _____ _____ _____ _____ _____ _____
Bridge #3 How many pennies did this bridge hold? _____	To make a stronger bridge, we will _____ _____ _____ _____ _____
